

## CS202: Mathematics for Computer Science - 2

*The instructor of this course owns the copyright of all the course materials. The lecture material is distributed only to the students attending the course CS202A: Mathematics for Computer Science - 2 of IIT Kanpur, and should not be distributed in print or through electronic media without the consent of the instructor.*

1. Course content is available in the following URL: <https://cse.iitk.ac.in/pages/CS202.html>
2. Reference:
  - HD Ebbinghaus, J Flum, W Thomas, Mathematical Logic.
  - HB Enderton, A Mathematical Introduction to Logic.
  - M Huth, M Ryan, Logic in Computer Science: Modelling and Reasoning about Systems.
3. Lecture notes and course announcements will be made using the course page on Canvas. Registered students will receive an invitation from canvas.
4. Lecture videos will be available on MOOKIT.
5. Basic requirements.
  - You should be able to access websites like Canvas, MOOKIT, Gradescope, etc.
  - You should be able to annotate and submit PDF files.
6. Evaluation Policy
  - Continuous evaluation: 50-60%.
  - Final exam: 40-50%
  - No makeup will be conducted for any of the assessments (apart from what is scheduled by DoAA).
7. Attendance in the interactive session is mandatory.
8. Announced quizzes may be conducted in any of the lecture slots scheduled by DoAA for this course.
9. Schedule for the discussion session is Friday 8AM. Changes (if any) will be announced on Canvas.
10. The CSE department anti-cheating policy is available in the following URL: <https://cse.iitk.ac.in/pages/AntiCheatingPolicy.html>
